# For Restoring, Preserving and Adorning THE HAIR!

No Home in the Tropics should be without Bo-Prof. Anderson, in 1855,

Pronounced it to be the Saver of his Hair ROYAL LYCEUM THEATER, STRAND, LONDON, 1 Saturday, Aug. 25th. . \$55.

It affords me very great pleasure to bear witness to the surprising efficacy of "Bogle's Hyperion Fluid." I had occasion to resort to it after losing so much of my hair as to be almost bald, owing to the influence of the climate, during my tour in the United States. Various much vaunted Hair Restoratives which I had already tried having entirely failed, I was advised to test the value of Mr. Bogle's preparation. I used it diligently for some time, when to my great gratification my hair assumed more than its former luxuriance. Hence I can-both from my own experience and that of my friends to whom I have recommended its use-most confidently advise the use of the "Hyperion Fluid" to all who need the use of that which shall restore, nourish, and beautify their bair. For these pur poses, I am certain that it is unsurpassed and unsurpassable. JOHN HENRY ANDERSON. "Great Wizard of the North."

To the Public of Honolulu.

The Agent of Bogle's Hyperion Fluid having called on me when I arrived here, I was delighted to find my old friend had preceded me (I mean Begie's Fluid.) My hair was falling off in thousands per day; a short interview with my friend has stoped the fall; a few smart rubbing operations, performed by "VOELKER," has made every hair as fast as the Hawaiian on my Magic Chair. 1, in 1859, in Honolulu, recommend it to the world as the Great Hair Preserver. 28-3m \* JOHN HENRY ANDERSON, "Wizard."
